

1673 Series

VB1673-BLK

IP65

Vibe's outdoor and garden bollards are made from tough die-cast aluminium with quality stainless steel hardware. The light is perfect for driveways and large walkways creating an aesthetically pleasing and functional outdoor lighting. Equipped with a polyester powder coating, leaving a textured finish, and an IP65 rating - rendering the light "dust and weatherproof" this lamp is UV resistant and comes with a smoked diffuser for a beautifully soft even lighting spread. Comes supplied with rag bolt assembly and internally louvered head. Please Note: All VIBE LED Bollards are recommended to be mounted securely to a plinth/concrete base and not covered by any organic materials (dirt/mulch/sand ect) to avoid condensation entering and subsequently corroding the fitting. Not following this installation recommendation will void any stated warranty.
