

VBL-301-SERIES

RECESSED CABINET LED DOWNLIGHTS

The Vibe VBL-301-SERIES is designed for effective cabinet and joinery lighting, providing focused 3000K warm white illumination with a 50° beam angle. Its compact recessed fixed design sits neatly within the cabinet surface, creating a clean, integrated appearance while directing light onto shelves, work surfaces, displays and interior spaces. Available with white or black trims to complement a range of cabinet and interior finishes.

Ideal for kitchens, wardrobes, cabinetry, retail displays, shelving, furniture and joinery, this SERIES delivers practical accent and task lighting where a clean, professional finish is required.
