

VBL-DISPLAY-7.5W

LED Flexible Display Screen

Our Flexible LED Display allow you to create bold messaging anywhere and on almost any surface. With its ultra-slim, flexible design, this LED display delivers crisp visuals in an adaptable roll-up design. Tough enough for everyday environments, simple to power, and easy to control from your phone, it lets you create eye-catching text, animations, or graphics in seconds. Peel, stick, switch it on—and turn any surface into a dynamic digital statement.
