

12V 1.4W BLACK CCT LED WALL LIGHT

VBL-E02-4-CCT

Our recessed LED Step/Wall Light with 2CCT Switchable functionality is a versatile lighting solution designed for both safety and aesthetics. This fixture is recessed into steps or walls, providing a sleek, unobtrusive look while illuminating pathways, staircases, and hallways. The 2CCT switchable feature allows users to toggle between two color temperatures, offering flexibility to adapt the lighting ambiance to different environments and preferences. Energy-efficient and durable, this light ensures long-lasting performance, making it ideal for both residential and commercial applications.

Features & Benefits
