

VBLB-2-PA-CCT-WB

2CCT WIDE BODY POWER ADJUSTABLE LED BATTEN – 2FT

Designed for flexibility and performance, the Wide Body 2FT LED Batten features switchable colour temperatures (3000K/4000K) and power adjustability across four wattage options (20/16/13/11W). It's an ideal solution for lighting needs across commercial, industrial & residential spaces.

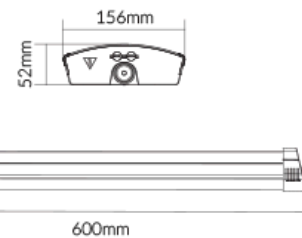

The unique wide-body design and opal diffuser ensure uniform, flicker-free illumination, enhancing visual comfort and reducing eye strain. With high efficacy up to 150lm/W (@4000K) and a superior CRI > 90, it delivers bright, true-to-life colour rendering—perfect for task-oriented spaces.

KEY FEATURES
