

4FT 2CCT WIDE BODY (156mm) POWER ADJUSTABLE LED BATTEN IP44

VBLB-4-PA-CCT-WB

Our NEW wide design, 4ft LED batten provides bright illumination in a slimline and compact design. With their 152mm wide body, these lights are a great option when seeking replacement for florescent battens. This batten provides you 2CCT (3000k,4000k) and 4 wattages (40W/35W/29W/23W) to choose from in one fitting with a simple dip switch.

With their weatherproof IP44 rating and elegant slimline design, these battens are a great lighting choice for schools, warehouse and both indoor and outdoor covered areas.

Features & Benefits

- Multiple conduit entry points for quick and easy installation
- Steel body construction with powder coat finish
