

VBLDL-438-1-CCT

3CCT POWER ADJUSTABLE RECESSED LED DOWNLIGHT

The 438 Recessed LED downlight in the compact configuration offers a flexible, power-adjustable solution for 160–170mm cut-outs (25W/20W). With 3CCT switchable colour temperatures (3000K/4000K/5700K), it provides adaptable lighting control for various environments. Supplied with a remote driver for easy installation.

Built with an aluminium heat-sink for efficient thermal management and long-term reliability. A PC diffuser ensures uniform output, while the deep recessed, low-glare design enhances visual comfort. Ideal for residential, commercial, and retail applications.
