

LED PANEL 300x1200 40W RA90 3CCT SKY IMAGE

VBLFP-BL-312-1-SKY1

Transform any space with our Calming LED Sky Panel. Designed to replicate the tranquil beauty of a clear sky, this panel creates a soothing ambiance, ideal for reducing stress and enhancing relaxation. The perfect lighting solution for hospitals, aged care, childcare centers, cancer wards, medical centers, dentists, operating theatres, and more. Featuring a unique backlit decorative design, it offers high light output with low energy consumption. Its wide beam angle ensures even light distribution, while the 3CCT switchable settings (3000K/4000K/5700K) provide versatility. Equipped with high-efficiency SMD LED chips, it is a direct replacement for fluorescent fittings.
