

VBLG-ES-18W-PACCT

VIBE LED corn lamps are designed as a practical, energy-efficient solution for replacing traditional high-intensity discharge (HID) lamps in commercial and industrial settings. Their distinct corn-shaped structure features multiple LED chips, providing bright, uniform illumination ideal for large spaces such as warehouses, factories, workshops and building with high ceilings. Each lamp includes a built-in color temperature switch, allowing you to choose between 3K, 4K, or 5K. The lamps operate at a maximum of 36 watts and deliver between 4680 and 5040 lumens, depending on the selected color temperature. A power-adjustable switch lets you set the output to 36W, 27W, or 18W, helping manage energy use while maintaining light levels.

Features & Benefits

- Unique heat sink design
- Power adjustable 18W/12W/9W • 3CCT Switchable 3K/4K/5K
- Environmentally friendly
- Equipped with highly efficient EPISTAR chips
- Clear PC protector for LED chips
- 50,000 hour lifespan
- 5 year warranty

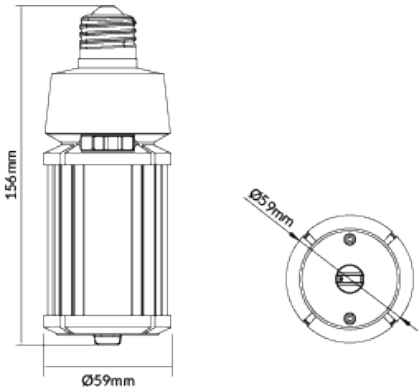

Specifications

SKU	VBLG-ES-18W-PACCT
Light Colour	3CCT
Wattage	18W/12W/9W W
Lumen output	1215 lm
IP rating	64
IK Rating	8
CRI	80
Beam Angle	360 Degrees
Base Type	E27
Lifespan	50000 Hours
Warranty	5 Years
Dimmable	Non-Dimmable
Lamp Type	LED
Input voltage	220V-240V AC 50HZ
Weatherproof	Non-weatherproof
Working temperature	-30°C ~ 60°C
Kelvin	3000K/4000K/5000K
Power Adjustable	Yes
