

VBLMR16-6W-CCT

3CCT LED MR16 LAMP – SINGLE BOX

Upgrade from traditional halogen MR16 lamps to this efficient 6W LED solution, featuring 3CCT colour changeable (3000K / 4000K / 6500K) for on-site flexibility and easy adaptation to different environments.

Designed as a non-dimmable, low-maintenance retrofit option, it delivers consistent, reliable performance with long lifespan benefits, helping reduce maintenance and energy costs over time. The quick retrofit design makes installation straightforward in existing MR16 fittings, supporting fast upgrades without major modifications.

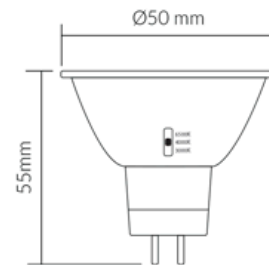

Ideal for both residential and commercial downlight applications, including homes, retail, office and hospitality environments.
