

LED OYSTER LIGHT CCT AND POWER SWITCHABLE

VBLOY-380-PA-CCT

The LED Oyster light is a circular light fixture with a diameter of 380mm that can provide either 15W or 30W of power depending on your needs. It comes with a CCT switchable feature that allows you to select between 3000K, 4000K, and 6500K color temperature options, giving you flexibility in lighting design. With an IP44 rating, this light is resistant to dust and water splashes, making it suitable for use in damp environments. It can produce up to 1125 lumens or 2250 lumens of brightness depending on the wattage you choose.

Features & Benefits

- 380mm in diameter will cover the holes of most existing fittings
- 30W 2250LM or 15W 1125LM selectable
