

VBLSL-0150-1-CCT

3CCT POWER ADJUSTABLE LED SHOPLIGHT

The 40W Rectangular LED Shoplight offers flexible, high-performance lighting with power adjustability and 3CCT selection (3000K/4000K/5700K), allowing you to tailor both brightness and colour temperature to suit any retail space. Its 80° tiltable design provides precise directional lighting, ideal for changing layouts and product displays.

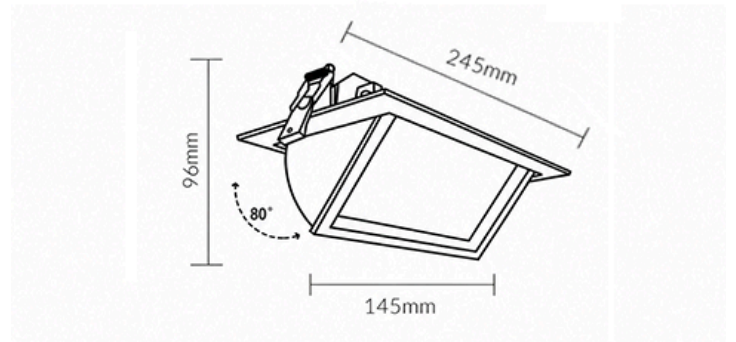

The sleek rectangular body integrates seamlessly into modern interiors, while the built-in power switch enables selection between 40W/38W/34W/28W for energy-efficient control. Easy to install, it's perfect for retail fitouts, display areas, and commercial environments requiring adaptable lighting solutions.

KEY FEATURES

- Architecturally designed fitting with high luminaire efficacy
- Unique heat-sink design with excellent thermal management
- Equipped with high luminaire efficacy SMD LED chip
- Adjustable 80° tilt for flexible light direction
- Supplied with a power-adjustable LED driver and flex & plug for quick, easy installation.
- 50,000 hour lifespan
- 3 year warranty
