

VBLSM-1200-SERIES

Surface Mounted LED Downlights

Introducing the VIBE 1200 Series LED Surface Mounted Downlights – a stylish and versatile lighting solution available in 13W, 18W, and 34W options. Featuring a sleek black or white finish with a choice of 3000K or 4000K colour temperatures, the range delivers comfortable illumination with dimmable functionality. Designed with concealed fixings, an anti-glare 36° cut-off angle, and a durable powder-coated finish, the 1200 Series combines modern aesthetics with performance. An integral driver ensures quick installation, while the option for suspended mounting provides added flexibility for creative lighting applications.

Elevate your lighting solutions with the versatile 1200 Series Surface Mounted Downlights, designed to seamlessly blend functionality and style. These downlights are perfect for any modern space, offering a sleek, unobtrusive design that complements a variety of interiors.
