

## VBLSTICK-SERIES

### 3CCT LED Stick Lamps – ES/BC Base

The VIBE VBLSTICK-SERIES 8W Dimmable LED Stick Lamp delivers reliable, energy-efficient performance in a slim, compact form factor. Featuring 3CCT switchable technology, users can easily select between Warm White, Cool White and Daylight (3000K/4000K/6500K) to create the desired ambience or meet application requirements.

Designed to provide uniform light distribution with smooth, flicker-free dimming, it is ideal for a wide range of residential and commercial applications, including bollards, oyster lights, ceiling fans, wall sconces, decorative fittings and bedside lamps. Available in both ES (E27) and BC (B22) base options, the VBLSTICK-SERIES offers a simple retrofit solution, making it an excellent replacement for traditional incandescent and CFL lamps while helping to reduce energy consumption and maintenance costs.

#### KEY FEATURES

- This lamp can be used for a wide range of applications, such as bollards, oysters, fan lights, wall sconces and as a bedside lamp replacement
- 3CCT Switchable - 3000K/4000K/6500K
- With smooth dimming and no flickering
- Triac dimming
- High lumen output
- Energy-efficient replacement for incandescent and CFL lamps
- Available in ES and BC lamp bases
- IP20 rated
