

VBLTL-0010-4-3K

Three Circuit LED Track Light

The 40W Track Light Blade delivers up to 3,400 lumens of powerful, focused illumination, making it an ideal LED lighting solution for retail, commercial and display applications. Designed for precise directional lighting, the 40° beam angle helps highlight products, merchandise, displays and architectural features with controlled, targeted illumination.

Finished in black, the sleek blade-style design provides a contemporary look that complements modern commercial interiors. With a 3000K warm white colour temperature, the track light creates a comfortable and inviting atmosphere while enhancing product presentation.

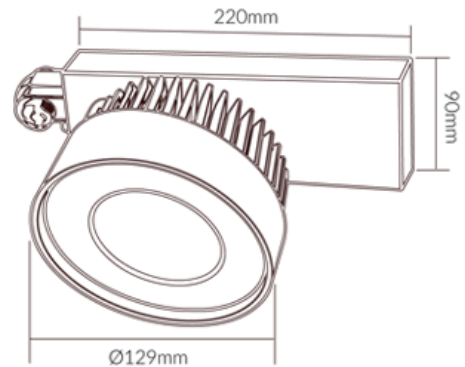

Combining high-performance LED lighting, directional illumination and a modern blade-style design, the 40W Track Light Blade is a versatile choice for retail stores, showrooms, galleries, hospitality spaces and other contemporary commercial environments.
