

VBLTL-102-SERIES

3CCT SINGLE CIRCUIT LED TRACK LIGHTS

The 102 Series Single Circuit LED Track Lights provide adjustable, energy-efficient lighting, ideal for highlighting specific areas in a variety of environments. Featuring a 180° tilt and 355° rotation, these lights offer precise control over the direction of light, ensuring optimal illumination. With 3CCT switchability (3000K/4000K/5200K), you can easily customize the colour temperature to suit any space, while the CRI 90 ensures high-quality lighting. Available in sleek white and black trims, these lights are designed to complement modern interiors.

These track lights are not only versatile but also cost-effective, reducing maintenance with their instant-on, flicker-free operation. With a 15W power and 1250 lumens output, they provide bright, reliable lighting for various applications. The 36° beam angle ensures focused illumination where it's needed most, making the 102 Series an ideal solution for both commercial and residential spaces. Their modern design, combined with energy efficiency, makes them a smart and stylish lighting choice.

KEY FEATURES

- Single Circuit LED Track Light
- 180° tilt, 355° rotation
- High strength die cast aluminium body
- Integral dimmable driver
- Available in black or white trim colour
- Instant on, no flickering
- 50,000 hour lifespan
- 5 year warranty
