

VBLWL-13X-SERIES

Outdoor LED Wall Lights

Enhance exterior environments with this contemporary LED wall light series, engineered for both durability and aesthetic appeal. With an IP65 rating, each luminaire provides dependable protection against dust and weather ingress, ensuring long-term outdoor performance.

Supplied with a 6W 3CCT colour-selectable GU10 lamp (3000K / 4000K / 6000K), the range offers flexible lighting options to suit a variety of applications and preferences.

Available in four configurations—Single Fixed, Single Adjustable, Up/Down, and Twin—this series accommodates a broad range of installation requirements. Ideal for use on exterior walls and façades, entryways, pathways, balconies, terraces, courtyards, gardens, and commercial outdoor environments..
