

VBLWL-134-3-CCT

TWIN SPOT WALL LIGHT

Bring style and versatility to your space with this modern IP65-rated twin spot wall light, designed to withstand dust and weather for reliable outdoor performance all year round. Supplied with 2 x 6W 3CCT colour changeable LED GU10 lamps (3000K/4000K/6000K, default 3000K), it offers excellent lighting flexibility to suit different moods and functional needs.

The adjustable twin heads allow you to direct light exactly where it's needed, making it ideal for highlighting entrances, pathways or architectural features. Built for durability and everyday use, it combines practical illumination with a clean, contemporary design.

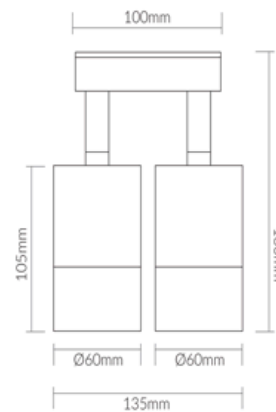

Ideal for most residential and commercial outdoor settings including sheds, garages, business entry and for added security lighting in the darker winter months.
