

VBLWL-400-1-CCT-S

3CCT TWIN SECURITY SPOT LIGHT - WITH SENSOR

The VIBE Sensored Twin LED Security Spotlight combines subtle style with practical performance, delivering focused illumination for outdoor areas that require enhanced visibility and security. Featuring a built-in PIR sensor with up to a 12M detection range, it offers adjustable time delay, motion detection and light sensitivity.

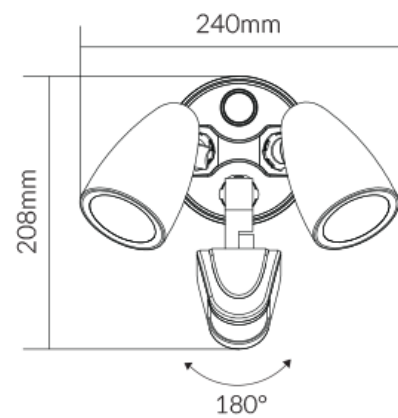

The 3CCT switchable function allows you to select warm, cool white or daylight to suit your environment. Designed for outdoor durability, it features a weatherproof IP44 rating, a 20,000-hour lifespan and is backed by a 3-year warranty.
