

VBLWL-BSL-1-30

Surface-Mounted LED Bedside Wall Light

Bring modern elegance and practical lighting into your space with this stylish surface-mounted LED bedside wall light. Featuring a sleek, minimalist design, it integrates seamlessly into contemporary homes, hotels, motels, and other commercial interiors.

The energy-efficient 3W LED delivers a warm 3000K light output, creating a comfortable and inviting atmosphere. Designed for convenience, it includes a built-in ON/OFF switch for easy operation and an adjustable head with 355° rotation, 90° tilt, and a focused 24° beam angle for precise light control.

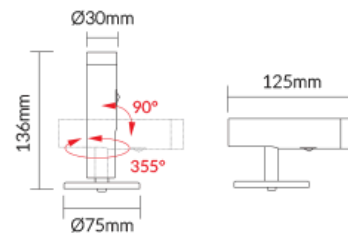

Ideal for bedside reading and task lighting, this versatile fixture combines contemporary style with functionality, providing targeted illumination exactly where it is needed.

KEY FEATURES

- Modern stylish wall spot light with On/OFF switch
- Eco-friendly LED technology, energy efficient and low maintenance
- 355° rotation with 90° tilt
- 50,000 hour lifespan
- 3-year warranty
