

VBLWPK-4114-CCT-PE

3CCT POWER ADJUSTABLE LED WALL PACK

Designed for demanding commercial and industrial environments, the 4114 Series LED Wall Pack delivers powerful, reliable illumination with maximum flexibility on site. Featuring power-adjustable settings (50W/45W/40W/35W) and 3CCT switchable technology (3000K/4000K/5700K), installers can easily customise both light output and colour temperature to suit various applications.

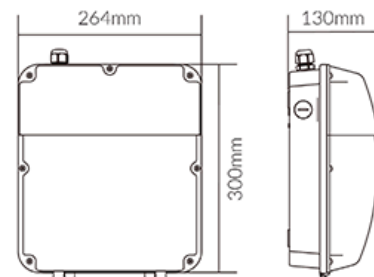

The robust IK10-rated durable housing and frosted lens diffuser provide reduced glare and an even light distribution, making it ideal for warehouses, loading docks, walkways, car parks, building perimeters, and security lighting. IP65 rating ensures long-lasting performance in harsh outdoor conditions.
